## March 20-26, 2016: National Poison Prevention Week

Awareness about poison prevention is in the news because March 20-26th 2016 is National Animal Poison Prevention Week. It's possibly due to the fact that when the weather is warmer the number of calls to the ASPCA's Poison Control Center rises. "We usually get about 600 calls a day in the winter," said Dr. Wismer. "That number increases in the summer; we get up to 800 calls a day then."

## 5 Reasons Why Dogs Eat Dirt

Dogs are fascinated by weird things.

As spring arrives you might be working in your gardens and deciding on lawn care products and/or services.

Clearly there are some good possible reasons why your dog has taken a liking to dirt, some more serious than others. Let's look a little closer at the possibilities...
